

Welcome To SPARTAN-NET

Taking Internet & TV "One Step Further"

Spartan-Net is proud to bring you Gigabit Fiber Internet & TV service in your new apartment home. We are committed to giving you the best possible service & support 24 hours a day, 7 days a week.

Pre-Order your Technology Package

Subscribe online now at www.spartan-net.com/subscribe to have service ready to go when you move in! The Technology Package includes both Gigabit Internet and TV service. Placing your order ahead of time ensures that service will be active when you need it. You have the option to pick up your equipment from our showroom or schedule an installation appointment with one of our certified technicians.

Gigabit Fiber Internet

Spartan-Net Internet is a switched Gigabit Ethernet service with a fiber-optic network backbone. Spartan Fiber Internet is completely reliable so you can ace your online quiz, stream Netflix, and more without interruption. Our blazing fast Internet speed makes DSL, cable, and cellular connections obsolete. Our customers receive download and upload speeds of up to **1000 Mbps!** Whether researching online for a paper or streaming your favorite movies, a fast connection has never been easier.

DIRECTV Channels

In addition to receiving the fastest residential Internet service in Michigan, you will also be watching the best digital TV service available! The DIRECTV base package includes local channels and top digital channels such as Food Network, HGTV, Disney, and many more. Spartan-Net customers may also upgrade to over 190 full-time HD channels, 4K Ultra HD, over 285 digital channels, DVR service, international programming packages, and exclusive sports such as NFL Sunday Ticket. The previously listed options can be added to your account for additional fees through DIRECTV.
